CROP REPORT

Will Be At Perrysburg Next Mon- In a Slow and Uninteresting Game Of Department of Agriculture on Record Crowd Expected. Many Boys Condition of Crops.

> The following report, showing per-Department:

Wheat-Prospect compared with normal yield, 90 per cent.

Oats-Prospect compared with normal yield, 79 per cent. Clover-Area sown in 1910 cut for

hay, 68 per cent.

Clover-Hay, product per acre, 0.97

Clover-Quality compared with an verage, 91 per cent.

Prospect compared with normal yield of various crops is as follows: Timothy, 60 per cent; Potatoes, 48 that is most effective. With Captain per cent; Tobacco, 68 per cent; Pasoures, 65 per cent; Apples, 84 per cent; Peaches, 63 per cent; Pears, 77 per cent; Grapes, 97 per cent; Berries, 91 per cent.

> With the wheat harvest so far advanced that an estimate of the yield may be made with approximate cor rectness, correspondents of this Department estimate the production at 90 per cent compared with a normal estimated acreage harvested was 1, 990,727 acres. Total production should be approximately 26,874,814 bushels. This a material increase over the estimated production one month ago Thirty counties of the state estimate that the yield per acre will be greater than normal. The percentage estimates show a wide range; Lucas county reporting 137 per cent, while both Richland and Huron counties report most discouraging prospects-51 per cent. One year ago the yield per acre was estimated at 96 per cent compared with a normal production of 15 bushels per acre. The estimated area harvested is practically the same as the harvest area for 1910 as reported by the township assessors. Reports as to the quality of the grain vary greatly, even in immediate localequal, if not exceed, the harvest of last year.

Oats show an increase of 3 per cent of one month ago. The outlook is most discouraging. Rainfalls during past month have been beneficial, but the severe drought has cut the crop short, and, as stated in prevous reports, the total yield will be short from fifteen to twenty million bushels compared with 1910 harvest.

Corn shows marked improvement during past month. Rainfalls were general over the state. No estimates On next Sunday a fast bunch of as to condition reported, but generplayers are coming here for a game, ally correspondents note its improv-

Clover hay will produce less than per cent compared with an average production.

Potatoes show serious damage by drought. Early potatoes a failure. The general state prospect is estimated at 48 per cent compared with a normal vield.

Pastures are in poor condition. Rain needed badly.

Last year Ohio's fruit crop was failure. Present report indicates that 1911 crop will be a most abundant one in comparison.

21st REGIMENT REUNION.

The 35th annual reunion of the list Regiment O. V. V. I. will be held lowed by thousands in serried ranks at McComb, Ohio, Sept. 21 and 22. The occasion will be the fiftieth anniversary of the enlistment of the

NATIONAL CONVENTION OF FEDERATION OF CATHOLIC SOCIETIES

To Be Held in Columbus, Ohio, August 20th-23rd.

One of the greatest conventions ever held in Columbus under Catholic auspices will be the national convention of the American Federation of ities. The total production should Catholic Societies, August 20th-23rd. It will be attended by many prominent members of the Catholic hierarchy and clergy, and by thousands in prospect, compared with estimate of Catholic laymen from every State in the Union.

Word has just been received that Dr. James J. Walsh, Dean of Fordham University Medical School, will be one of the speakers at the mass meeting on Sunday evening, August 20th. Dr. Walsh is the author of the most talked of work of recent years. 'The Thirteenth, Greatest of Centuries." His address on "The Church and Science," on Aug. 20th, at Memorial Hall, will be one of the intellectual treats of the year. Rt. Rev. Bishop Hartley will preside at the meeting and Msgr. Falconio, the Papal Delegrate at Washington, will be present.

MAMMOTH PARADE WILL BE HELD.

One of the greatest and most inspiring scenes of the national convention of the American Federation of Catholic Societies, to be held in Columbus, Ohio, August 20th-23rd, will be the mammoth parade in which it is expected there will be at least twelve thousand men in line.

The climax of this great demonstration of Christian citizenry will be the massing of the bands and banners on Broad street, in front of the reviewing stand in the State House ground. The bands massed will play national and religious hymns marching past the reviewing stand, the Cathedral, and Memorial hall, folof uniformed men of the Knights of St. John and other societies, who will come to Columbus for the occasion from all sections of the State of Ohio. On the reviewing stand will be State officials, dignitaries of the

In the parade will be many societies, including the Catholic Order of Foresters, the Ancient Order of Hibernians, the Knights of St. John, the Knights of Columbus, the Hibernian Rifles in uniform, and the magnificent phalanx of the Knights of St. John, whose glittering uniforms and splendid presence will be one of the great features of the parade.

An ordinary case of diarrhoea can, as a rule, be cured by a single dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. This remedy has no superior for bowel complaints. For sale by all dealers.
